

CSE – Child Sexual Exploitation – Half day

Who is this course aimed for

This ½ day awareness course is aimed at professionals and volunteers working with children and/or young people as well as parents, youth leaders and the general public. The course raises awareness of the impacts of Child Sexual exploitation providing delegates with increased knowledge and understanding. The content explores; grooming, sexting, trafficking, modern slavery and child sexual exploitation.

By the end of the course delegates will be able to:

Learning outcomes

- Identify that Child Sexual Exploitation is happening & that a young person is at risk
- Explain their role and responsibility in line with the All Wales Guidance on Safeguarding Children & Young People at risk of abuse through Sexual Exploitation
- Recognise the link between Child Sexual Exploitation & Trafficking
- Demonstrate the assessment of a child or young person at risk using the SERAF Risk Assessment Framework tool.

Benefits to Organisation

All courses are designed to increase skills and knowledge and to develop working practise. We can provide opportunities for employees to develop their continuous professional development (CPD) through courses.

We offer bespoke courses and tailored feedback to customers detailing the training impact on staff awareness, knowledge and capabilities. We aim to maximise staff performance and customer outcomes.

Prices

½ day courses – £40 per person Minimum of 10 delegates. Maximum of 15 delegates per course. Please contact us about organisational day rates. Email – trainingservices@hafancymru.co.uk
