

## **Domestic Abuse Awareness – Half Day**

### **Who is this course aimed for**

This half day awareness course is aimed at professionals and volunteers working in the Violence against Women, Domestic Abuse and Sexual Violence sector, Local Authority, Housing, Health, Police and other services working in a public facing role.

This course provides a basic understanding of Domestic Abuse, the signs and symptoms of abuse and best practice in relation to supporting individuals affected by abuse.

### **Learning outcomes**

- Define domestic abuse
- Explain the impact of domestic abuse
- Understand good practice in relation to supporting individuals affected by domestic abuse

### **Benefits to Organisation**

All courses are designed to increase skills and knowledge and to develop working practise. We can provide opportunities for employees to develop their continuous professional development (CPD) through courses.

We offer bespoke courses and tailored feedback to customers detailing the training impact on staff awareness, knowledge and capabilities. We aim to maximise staff performance and customer outcomes.

### **Prices**

½ day courses – £40 per person

Accreditation – Enquire for details
